## PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 11/28/2017.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number	Nature of Noncompliance
------------------	-------------------------

3 **Special Condition #14:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** On October 2, 2017, Mr. Croson reported to the U.S. Probation Office for the purpose of an intake after commencing supervision on September 29, 2017. Reviewed with Mr. Croson were his conditions of supervised release. The offender signed his judgment acknowledging an understanding of his conditions, to include special condition number 14.

On December 4, 2017, Mr. Croson provided a random urinalysis test at the probation office. The urine sample tested presumptive positive for methamphetamine and was sent to Alere Toxicology for further testing and the results are pending. Mr. Croson admitted to using methamphetamine on December 1, 2017, and signed a drug use admission form.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.
